Northwest Region WOCN & Pacific Coast Region WOCN Annual Conference

Vendor Information

We cordially invite you to participate in the 2024 Pacific Coast Region (PCR) and Northwest Region (NWR) of the Wound Ostomy Continence Nurses (WOCN) Society Conference to be held July 31-Aug 3, 2024 at the Marriott in Anchorage, AK. The PCR includes California and Nevada and the NWR includes Alaska, Idaho, Montana, Oregon and Washington. Our annual conference provides affordable education to health professionals interested in the wound, ostomy and continence specialties as well as support to WOC nurse counselors and youth attending the Youth Rally camp.

We will have a nice vendor space with 6-foot tables available. We only have capacity for 25 tables so please register early as the tables will be available on a first come basis. To better showcase your products and services, we are planning to set up the food and beverage stations near the exhibits.

The fee per table is \$1500, which includes registration for two representatives and meals. After 12/31/23, the fee will increase to \$2000. A fee of \$50 will be charged for each additional vendor representative.

Due to seating limitations in the education room, each vendor will be expected to register for the conference separately if they want to attend the presentations and obtain CE's. If you have not registered for the conference, please do not take seating at the tables.

For your convenience, our registration process is online at www.nwregionwocn.org. Please complete the online registration form and submit your fee to secure your space. We would like to offer you an opportunity to provide additional support by sponsoring our event*. Sponsor levels are listed below. This extra support will be recognized during the conference and on our printed material. We are tremendously grateful for your support!

Vendor Information

Conference Agenda

Visit nwregionwocn.org for the full conference agenda and for exhibit hall times. We have over 9 hours of vendor time planned. The exhibit hall will be open for vendor set up on Wednesday, July 31st. Please see the separate attached shipping information form if you would like to ship materials directly to the hotel. Please note: We want to respect your time constraints but respectfully request you not tear-down during activities or functions with other vendors as it is distracting and confusing for attendees who believe all exhibits are closing.

Vendor Lodging Information

A reduced rate of \$299 per night is being offered for vendors for the dates of the conference as well as 3 days before and 3 days after.

Please make your room reservations by June 23rd, 2024. After that date, the remaining rooms will be released and the rates will be raised to the prevailing rate.
